NEWS & ANNOUNCEMENTS JUNE 2025

Flick & Float Updates

Our **Flick & Float** events are one of the highlights of summer, featuring family friendly films played on large screens at the family pool. Come float in the pool and enjoy movies under the stars with us.

New this year, we will have a different food truck at each **Flick & Float**.

On Friday, June 13th, the food truck will be Rosa Mexicano. The truck will

be in the Community Center parking lot from 5:00 to 7:30 serving up Mexican fare including tacos, tortas and burritos.

The movie will begin at dusk and candy and drinks will be served at the family pool.

Pool Guest Passes

Are you looking to bring guests with you to the Family Pool this summer? A reminder:

- Guests can accompany residents who have successfully applied for and received their VIZpin Mobile Access Pass for the season.
- Guests do not need to be pre-registered and can simply attend with the resident and check in at the entrance.
- Guards at the entrance will digitally access the resident's VIZpin and mark online the use of a guest day pass for each guest in attendance.
- Residents are allowed 10 free guest day passes per pool season — and can purchase additional day passes for \$10 each. There is a maximum of 5 guests allowed per day.
- Guests are required to be accompanied by a resident at all times.

See a water leak? [Emergency hotline: 720-851-8178](tel:720-851-8178).

Update on District's Tennis Courts

As many have noted, the courts are undergoing some renovations, repairs, and updates. In addition, the status and location of pickleball are currently being addressed by the district's board and management. At the time of writing this newsletter, the two tennis courts are open for use again for tennis only. That said, as additional work is scheduled, the courts may once again be closed for a period of time.

We appreciate the community's patience and ask that everyone be mindful of the signage — and not access the courts if signage shows the area is closed. Thank you for your understanding as the team works on the courts — and evaluates pickleball as an amenity, including evaluating possible planned future locations for a space solely dedicated to this sport. This is a process that may take some time but one the board and management team are committed to looking into.

The best way to learn if the courts are open for tennis is to sign up for eNews to your email address or to visit the eNews section of the website, where we post regular district updates.
