NEWS & ANNOUNCEMENTS

NOVEMBER 2024

Snow Policy Reminders

As the weather cools and we prepare for winter, we wanted to remind residents of our snow policies.

The district has a contract with a service provider to clear all right-of-way sidewalks on, or adjacent to, common tracts owned by the district. They also clear the main park sidewalks and manage snow removal for the two parking lots adjacent to the Community Center, pool and tennis courts, as well as the park at the southeast corner of Keystone Boulevard and Aventura Parkway.

Snow removal operations are triggered anytime there is an accumulation of more than two inches in depth. Additionally, the district's contract calls for their teams to begin snow removal operations within twelve hours after snowfall has ceased, or as conditions safely permit. It is important to note that snow removal on the adjacent public streets throughout the district are maintained by Douglas County.

Residents can view the county's snow removal policies, including routes, priorities, policies and information on filing a concern, at www.douglas.co.us/road-work/snow-and-ice-removal.

We always appreciate your eyes and ears on our district-owned areas, and if you see any that need attention, please don't hesitate to contact us on the district hotline: 720-851-8178.

As we enter the holiday season, the Board of Directors gives thanks to each of you for making Stonegate North Villages a great place to live.

Board Updates

We appreciate the community members who responded to the call for interested board members. The board is once again full, with 5 members of the community serving in positions.

Look for future updates on new board members in upcoming newsletters.

Board of Directors for Stonegate North Villages

Goodbye Summer and Thank You Team!

The district once again provided bonuses to some of the most valued members of the lifeguard team. This program utilizes a grant from the state of Colorado.

The Family Pool is a highlight amenity for the district — and we greatly appreciate the role the pool crews and lifeguards play in delivering service across the summer.
