## Planning a Pool Party?

Learn more about holding events at the Family Pool

Suntan lotion, pizzas, juice boxes and a birthday cake along with a gaggle of young kids — pool parties are a hallmark of summertime. Interested in planning a pool party? **Here are the things to know:**

- The Family Pool is available for pool parties across the summer season. The cost of the facility is set at \$50 per/hour.
- Lifeguard costs are separate. The cost is \$40 per/hour/ per lifeguard, based on number of people. If the pool party is held during normal pool hours: one guard is required per 25 people. 1 to 25 people requires a per/hour charge for one guard. 26 to 50 people requires a per/hour charge for two guards. If the pool party is held outside of normal pool hours: a minimum per/hour charge for two lifeguards is required regardless of the number of people.
- Times available for pool parties: Sunday: After pool hours from 8 p.m. to 10 p.m. Monday through Thursday: During regular pool hours or after pool hours from 8 p.m. to 10 p.m. Friday and Saturday: After pool hours or from 8 p.m. to 10 p.m.
- The pool can't be rented for exclusive use except for parties held outside of normal working hours.
- Anything over 5 guests is considered a pool party. So, while residents may use some of their allotted guest passes for visitors, if you plan on having more than 5 guests with you, it is important you note this is considered a party and you must utilize the reservation system.
- All reservations need to be made through the district's online scheduling tool and are subject to both the District's Recreational Rules and Regulations as well as the District Rental Policies.

Please visit the district's website — and the Make a Reservation page — to learn more and to start the process. You will also find information on renting the Community Center, the Open Space, and the Park Pavilion at this link!

## Are You New to the Neighborhood?

***If you are new to the neighborhood, welcome!***  
There are some good things to know. For instance, there are two separate metropolitan districts in the area, in addition to the HOA. It is good to understand which district you live in and you can use the handy map on our district's website: [www.stonegatenorthvillages.org](http://www.stonegatenorthvillages.org) to learn more about district boundaries. You can also view the "Who Does What" document on our **Helpful Links** page of the website to learn more about which entity manages what.

There are a host of amenities in the area, and Stonegate North Villages specifically has a new Community Center, Family Pool, Adult Pool & Spa and Tennis Courts plus expansive parks, pavilions, and open spaces. Owing to a reciprocity agreement, many of the facilities can be used by the residents of both metropolitan districts. It is, however, critical that you register and apply for a VIZpin Mobile Access Pass to be able to access or rent the facilities in the Stonegate North Villages Metropolitan District. Visit "**Apply for A Pass**" on our website to learn more and begin your application. In addition to information on our pools and our Community Center, you will find a whole lot of information about our district on our website. Definitely take the time to bookmark it — and welcome again to the neighborhood!
