NEWS & ANNOUNCEMENTS
MARCH 2026

All About VIZpin!

Learn more about the district's system and ensure you are set for the 2026 summer season!

The amenities across our district are a huge draw for residents. In 2020, faced with the unprecedented challenges created by the pandemic, the district started reviewing technology solutions that could be deployed at key amenity access points. The key driver was contactless entry, but there were other considerations as well, including ensuring only current and authorized residents were using the facilities; keeping unauthorized users out of areas during off-hours; and gathering better data about usage and occupancy rates, which could, in turn, drive decision making about staffing and maintenance protocols.

Ultimately, the board and management team landed on a new system — the VIZpin system — and the technology was adopted and deployed — and debuted to residents in May of 2021.

Today, this powerful system allows residents a way to apply, be approved, and then have their access to our amenities all managed through their mobile phone. Annually the district manages hundreds of applications and renewals for the system — all of which ensures a successful summer season each year.

Do you have your VIZpin Mobile Access Passes set for you and your family this year?

Given the season will be upon us soon — we suggest all residents take the time to review their information and ensure they are set for the year. As a reminder each household can apply for up to 6 Mobile Access Passes.

Here are some of the key things to check:

Do you have someone in your household who has turned 18? Every person over the age of 18 must have their own VIZpin Mobile Access Pass. Simply send us an email if you have someone who has turned 18 and we can help!

Do you rent within the district boundaries? If so, you may need to submit an updated Facilities Access Release form, which can be found on our website.

Has your mobile phone number changed? Or that of someone in your household? If so, you will need to drop an email to us and we can help ensure everything is updated.

Are you new to the community and looking to learn more? Start at our website and feel free to drop an email to us if you need additional help.

Reach Out by Email as Needed If you have a child between the ages of 10 and 18 who needs access but doesn't have a smartphone — or if you do not own a smartphone — or if you have accessibility needs — please do not hesitate to reach out to us by email and we will ensure you are situated.

Thanks for taking a moment to review things prior to the start of the new season!

For More Info: Visit the website's **Recreation & Facilities** tab and then select Apply for A Pass — or use the QR code here to be sent directly to that page.

We also have a dedicated email address for inquiries related to VIZpin, which is: registration@stonegatenorthvillages.org.

Flick & Float

Have a Favorite Family Movie?

Now Taking Suggestions for Flick & Float!

During the summer we host movie nights at the pool. These Flick & Float events always feature family friendly films.

Do you have a favorite family movie you'd like to suggest? Send ideas our way and we will review everyone's suggestions and announce the final movies in the coming weeks!
