## NEWS & ANNOUNCEMENTS

APRIL 2025

# CONGRATULATIONS CLASS OF 2025

## Annual Senior Celebration

Friday, May 23rd  
7 p.m. to 10 p.m.

Adult Pool & Spa for  
Stonegate North Villages  
Metropolitan District

This year, the event will be held at the district's Adult Pool & Spa and the seniors can enjoy that area to themselves from 7 p.m. to 10 p.m.

Each senior is allowed one guest and we will have fun snacks for everyone.

### What's the celebration and when?

In celebration of all graduating seniors from college or high school who reside in Stonegate North Villages or Stonegate Village Metropolitan districts we invite you to join in our Annual Senior Celebration.

The event will be held on Friday, May 23rd from 7:00 pm until 10:00 pm in the Adult Pool and Spa located at Stonegate North Villages Metropolitan District.

### Senior yard signs?

We will design a yard sign celebrating each senior with their name and photo. The yard sign will be available for pick-up the night of the Senior Celebration event.

### How do I have my senior included?

Send a high-resolution photo or their senior picture to us at seniors@stonegatnorthvillages.org. Include the name of the school from which they are graduating and their first and last name.

We will take it from there, designing a yard sign celebrating their graduation. Again, the signs are then available at the Senior Celebration on Friday, May 23rd.

Spread the senior love—and share with others who have seniors graduating this year!

## THANKS FOR KEEPING AN EYE OUT!

A recent vandalism incident is a good reminder that it takes a village to keep the community operating well. A few weeks ago, as several parents congregated in front of the district's Community Center, their school-age children began playing in the rock garden area. The children took rocks from the xeriscaping and began filling a plastic pipe that is buried within the xeriscaping.

Unfortunately, the rocks fully filled the line and ultimately clogged the district's sewer line and resulted in a significant sewage backup. Fortunately, we were able to find a vendor to remediate the situation by blasting the rocks at high intensity and clearing the line, eradicating the need to fully remove and replace the sewage line — which could have cost the district upwards of 30k.

We will continue to utilize our district security cameras but appreciate residents keeping an eye out as well.

## Flick & Float Dates Announced!

Pool opens Saturday, May 24th — and Flick & Float is set for June, July and August

## Spring Snow

The spring in Colorado is always guaranteed to keep us on our toes, with a few days of warm temps often followed by freezing weather and the inevitable spring snowstorm. Given the spring months are often the snowiest, we wanted to remind you of the district's snow removal policies. The district has a contract with a service provider to clear all right-of-way sidewalks on, or adjacent to, common tracts owned by the district. They also clear the main park sidewalks and manage snow removal for the two parking lots adjacent to the Community Center, pool and tennis courts, as well as the park at the southeast corner of Keystone Boulevard and Aventura Parkway.

Snow removal operations are triggered anytime there is an accumulation of more than two inches in depth. Additionally, the district's contract calls for their teams to begin snow removal operations within twelve hours after snowfall has ceased, or as conditions safely permit. It is important to note that snow removal on the adjacent public streets throughout the district are maintained by Douglas County.

Residents can view the county's snow removal policies, including routes, priorities, policies and information on filing a concern, at [www.douglas.co.us/road-work/snow-and-ice-removal/](http://www.douglas.co.us/road-work/snow-and-ice-removal/).

We always appreciate your eyes and ears on our district-owned areas, and if you see any that need attention, please don't hesitate to contact us on the district hotline: **720-851-8178**.
