Jeni Reilly, Named 2025's SDA Board Member of the Year, Steps Away from President Role

Vicky Strain

Vicky Strain has been appointed as the new board president for the Stonegate North Villages Metropolitan District. The transition comes as Jeni Reilly, longtime board president, chose to step away from the role and as she caps her career of district service by being selected as the Special District Association (SDA) Board Member of the Year. According to the SDA, "The recognition reflects Jeni's exceptional leadership, dedication, and service to the Stonegate North Villages Metropolitan District. Her work exemplifies the values and commitment we aim to highlight with

this award." The award will be presented at the SDA Annual Conference during the luncheon on Tuesday, September 16th. Back-to-School Safety Reminders Including Drop-offs and Parking Lots

Parents and guardians are not allowed to utilize the district's parking lot for school pick-up and drop-offs. Please help us keep this lot free from traffic jams, open for our Community Center and pool visitors, and safe for everyone.

Also, this is an important time of year to remember to slow down and be alert as you are driving through the district. We will have many children walking, biking and scootering back to school in the weeks ahead and we appreciate everyone being extra safe out there!
